

Tuition Rates and Fees 2023-2024

We are pleased that you are considering Faith Community Christian School for your family. It is our desire to offer excellence in education at an affordable rate. It is our hope to make Christian education *a reality for every family*.

Please note tuition payments can be paid monthly with an easy monthly payment or can be paid all at once (note: a 3% discount is given to families who pay tuition in full).

Do you offer discounts for families?

Transfer students coming into 1st to 5th grades get \$500.00 off their first-year tuition. This will be applied in two tuition credits at the end of each semester the first year the student is enrolled. If the transfer student leaves before the end of the school year, the credit will be adjusted accordingly with the remaining tuition due. Current families who refer a new family will earn a \$200.00 credit on their overall tuition statement for that school year. Siblings who attend full-time are offered a sibling discount. Also, children of pastoral staff are offered a pastoral discount. Inquire with the administrator for more details. (Amy Bell, abell@faithccs.com)

TASK Hours are 40 service hours for parents. Each family is asked to serve at the school in some capacity for 40 hours during the school year. There is a \$400.00 TASK Hours fee that is added to each family's total tuition until the service hours are complete. If a family chooses not to complete the TASK Hours they will pay the added \$400.00 for that school year. TASK hours are a way to offer discounts to families.

Tuition alone does not cover the full cost of education for a student at FCCS. If families are able, it would be a blessing to our school community. *All donations are tax-deductible.*

Full-Time Students (In-Person Learning) 2023-2024
