

Faith Community Christian Teacher: Job Description

A teaching position is a one year contracted position at Faith Community Christian School. The staff member will report directly to the administrator for all duties. The position is a salaried position requiring an attendance of full time. Teachers report at 7:45 a.m. and leave at 3:50 p.m.

Duties include (but are not limited to):

- teach a class of students which are varied in ability and be able to differentiate between skill levels in concordance with a growth mindset point of view
- create and provide both informative and engaging lessons which align with CCS standards while providing information from a Christian worldview and perspective
- use Google classroom in order to facilitate lessons and provide feedback for students and parents
- create and facilitate a STEAM activity special once a week for our Green Engineering program (Green Engineering is our outdoor learning program).
- facilitate learning with different materials and technological tools
- communicate clearly with parents in order to provide a partnership for Christian education (Acts 20:28)
- communicate clearly with administration in order to provide a partnership for Christian education
- complete duties as needed for school day progression such as recess duty or lunch duty
- complete tasks in a timely and prompt manner (Hebrews 13:7)
- interact with staff, parents, and students in a way which glorifies Christ and his mission for leaders (Galatians 6:9)

An ideal candidate would possess:

- a relationship with Jesus Christ recognizing him as Lord of one's life and a desire to serve Him in the form of Christian education
- strong communication skills and a desire for partnership
- strong computer skills as well as a background in Google Education
- possess an ability to engage and communicate with children
- flexibility to learn and grow throughout the year
- a willingness to help and serve others through ministering to them
- a desire to see children come to a saving knowledge of Christ

Qualifications:

- a bachelor's degree in education or related field
- a valid teaching license in the state of Michigan
