

# **INTERMEDIATE GRADES 5 AND 6**

## **OUR MISSION**

FCCS Intermediate School is meant to prepare students for the future. We have a vast variety of academic classes and electives for a small Christian school. We strive to teach strong academics, but we are intentional about teaching through a Christian worldview, the word of God. In addition to core academic time, we have a distinct focus on sustainability. We are partnering with Family Life Church of God to feed our community and beyond.
