

Intermediate Course Catalog 2023-24

The following courses are planned offerings at Faith Community Christian School. Our final course catalog will be out by the end of July 2023. We will begin scheduling students at the end of July in grades 5, 6, and 7. You will notice some courses refer to preparation for either 8th grade year or 9th grade year. Our plan continues to be to add a grade each year. Next year, 2024-25, will add 8th grade students.
